

Black Seed Oil with DeepSpectra

Product Size: 30 ml

Item No. 47191

Unlock nature's full potential with Black Seed Oil featuring DeepSpectra technology. This luxurious formula is packed with vitamins A, B, and C, along with essential minerals like calcium, potassium, magnesium, and zinc, to soothe irritated, dry skin by protecting your natural moisture barrier and keeping your skin hydrated.

Background

Delve deeper into nature and discover a secret to youthful-looking skin with Black Seed Oil with DeepSpectra technology! This deeply hydrating complex features Frankincense², Orange essential oil and Cacao in a Black Seed Oil base. Formulated to pamper and protect your dry skin, Black Seed Oil uses our patents-pending DeepSpectra technology to capture more skin-beneficial plant compounds. Each drop contains an abundance of natural plant extracts so you can say goodbye to dull, dry skin.

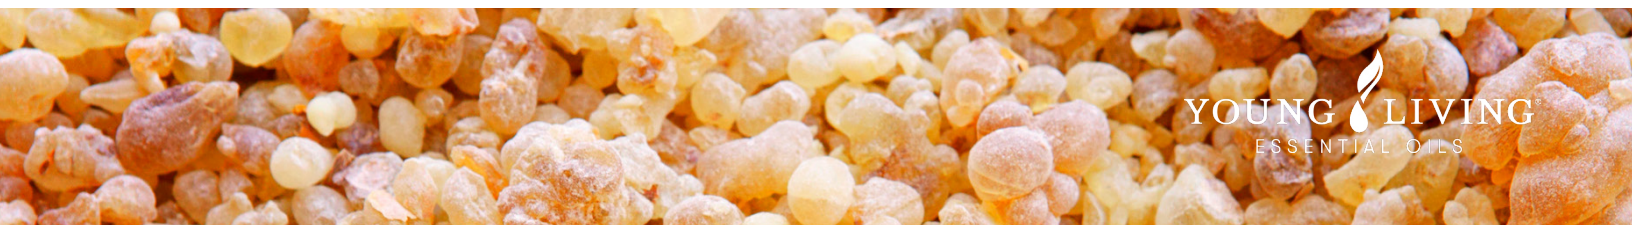

Benefits and Features

- Features a potent and luxurious blend of natural plant extracts that work synergistically to promote healthy-looking skin.
- Protects against environmental stressors that cause dry skin.
- Gives the skin a more youthful, radiant, and plump appearance.
- Contains vitamins A, B, and C, along with essential minerals like calcium, potassium, magnesium, and zinc.
- Helps reduce the appearance of wrinkles, breakouts, and uneven skin tone.
- Protects the skin's moisture barrier, preventing the skin from drying out.

Suggested Use

- Use as part of your evening skin-care routine.
- Apply after cleansing and leave on overnight.
- Add to your favourite Young Living moisturiser to boost hydration.

Black Seed Oil with DeepSpectra

Directions

Add 10-15 drops to your hands or mix with your favourite Young Living beauty products as part of your evening routine. Apply to face, neck, chest, or hair for moisturising properties. For best results, shake well before using.

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are taking medication, or have a medical condition, consult a health care professional prior to use. Avoid direct sunlight or UV rays to application area for up to 12 hours. Not intended for use during pregnancy or nursing or on children under the age of 2. Possible skin sensitisation. Discontinue use if irritation occurs.
