Product Size 100 ml

Item No. 37985

BALANCE by Young Living Cleanser is a gentle, foaming gel that deep cleans pores and reduces surface oils for balanced-looking skin. Previously known as Orange Blossom Facial Wash, BALANCE Cleanser is part of the BALANCE Skin Care Collection, a dermatologist tested, non-comedogenic system. This simple, three-step system harnesses the strongest naturally derived actives we could find for oily and blemish-prone skin to help you feel confident in your complexion.

As step one of the system, BALANCE Cleanser prevents breakouts and clogged pores by removing excess dirt and oil, while also helping to maintain the natural moisture barrier. This formula is gentle enough for everyday use, relying on non-stripping ingredients to condition and moisturise to reveal a happy, balanced-feeling complexion. It's also hypoallergenic and non-irritating, which means even sensitive skin can benefit from its use.

Pair BALANCE Mattifying Lotion with BALANCE Dual-Phase Toner and BALANCE Cleanser to get the best results and let your confidence out with great skin!
