

BALANCE by Young Living Mattifying Lotion

Product Size 50 ml

Item No. 39851

BALANCE by Young Living Mattifying Lotion helps absorb excess oil, reduce the appearance of pores and blemishes, and provide an instant mattifying effect. The BALANCE Skin Care Collection is a dermatologist tested, non-comedogenic system that will help improve oily and blemish-prone skin with noticeable results. This simple, three-step system harnesses the strongest naturally derived actives we could find for oily and blemish-prone skin and includes the most effective amounts so you can feel confident in using the best of clean beauty to achieve a more clarified complexion.

As step three of the system, BALANCE Mattifying Lotion uses optimal hydration to keep your skin happy throughout the day, locking in moisture and supporting delicate skin. This formula is also gentle enough for everyday use, relying on oil balancing and mattifying ingredients to control shine for clearer-looking skin.

Formulated to help unbalanced skin fight back against the appearance of blackheads, redness, blemishes, and excess oil, this mattifying lotion offers lightweight hydration for all skin types. It is also dermatologist tested, hypoallergenic, and non-irritating, which means even delicate skin can benefit from its use. Pair BALANCE Mattifying Lotion with BALANCE Dual-Phase Toner and BALANCE Cleanser to get the best results.

Benefits and Features

- Provides lightweight, optimal hydration that softens and soothes oily skin.
- Provides an instant mattifying effect to reduce the appearance of pores and blemishes.
- Defends against premature ageing caused by environment and blue-light aggressors.
- Non-greasy formula absorbs easily into normal/combination and oily skin.
- Reduces excess oil and controls shine for clearer-looking skin.
- Strengthens the skin's moisture barrier.
- Dermatologist tested, non-comedogenic, and non-irritating.
- Formulated with naturally derived ingredients free of parabens, phthalates, synthetic fragrances, sulphates, and mineral oil.

BALANCE by Young Living Mattifying Lotion

Key Ingredients

Oat kernel extract: This ingredient improves the overall appearance of the skin's complexion and reduces the appearance of blemishes and redness for radiant-looking, glowing skin.

Noni stem cells: Extracted from noni fruit, this ingredient supports the skin and reduces excess sebum on the surface of the skin to help perfect the overall appearance.

Bacillus ferment: This ingredient has been shown to help minimise the appearance of skin imperfections and support delicate skin, leaving skin looking beautiful. The ferment is isolated from clay sourced following sustainable practices near Aiguamolls de l'Empordà, a natural park in Spain. It soothes and supports the skin.

Marrubium vulgare: Obtained via cell culture of horehound, this extract has been clinically proven to reduce the appearance of blackheads, give skin a smooth and even feeling texture, improve skin smoothness and softness, and combat against the damaging effects of pollution and blue light, providing a radiant-looking, glowing complexion. In nature, horehound spontaneously grows in temperate areas of Europe, America, and Asia and has a history of use in

ancient Roman and Arabic folk traditions. It is a flowering plant in the Lamiaceae family, which includes mint and white nettle.

Rice starch (*Oryza sativa*): This ingredient keeps skin shine free by absorbing excess sebum on the surface without stripping it of moisture.

Proprietary essential oil blend: BALANCE by Young Living utilises an exclusive blend of Lavender, Patchouli, Lemon, and Rosemary essential oils formulated by Young Living Founder D. Gary Young to help support oily and blemish-prone skin.

Cautions

Keep out of reach of children. For external use only. Avoid contact with eyes. Discontinue use if irritation occurs.

Storage

Keep in a cool, dark place.

Directions

Gently press and pat a small amount evenly over face. Repeat morning and night.

BALANCE by Young Living Mattifying Lotion
