

BALANCE by Young Living Dual-Phase Toner

Product Size 120 ml

Item No. 36285

With gentle, naturally derived ingredients, BALANCE by Young Living Dual-Phase Toner reduces the appearance of pores in only 15 minutes. It contains pseudoalteromonas ferment extract, an ingredient which helps to immediately reduce excess shine and provide an 8-hour mattifying effect on the skin. The BALANCE Skin Care Collection is a dermatologist tested, non-comedogenic system that will help improve oily and blemish-prone skin with noticeable results. This simple, three-step system harnesses the strongest naturally derived actives we could find for oily and blemish-prone skin so you can feel confident in your own skin.

As step two of the system, BALANCE Dual-Phase Toner helps reduce the appearance of pores and blemishes, may help against future breakouts, and provides all-day shine control for a more flawless complexion. This formula restores the natural balance of the skin after cleansing, so you can get the appearance of a brighter, detoxified, and more clarified complexion after two weeks of continued use.

A must-add step when prepping the skin for moisturiser, this toner can be used to pamper normal, combination, and oily skin types. It is also dermatologist tested, hypoallergenic, and non-irritating, which means even sensitive skin can benefit from its use. Pair BALANCE Dual-Phase Toner with BALANCE Mattifying Lotion and BALANCE Cleanser to get the best results and let your confidence out with great skin!

Benefits and Features

- Mattifies skin and provides all-day control of oil and shine for a flawless complexion.
- Reduces the appearance of pores by removing excess oil in only 15 minutes.
- Minimises the appearance of blemishes and future breakouts.
- Provides the appearance of a brighter, detoxified, and more clarified complexion after two weeks of continued use.
- Preps the skin for moisturiser to maximise the benefits of subsequent products.
- Dermatologist tested, noncomedogenic, and non-irritating.
- Formulated with naturally derived ingredients free of gluten, parabens, phthalates, synthetic fragrances, sulphates, and mineral oil.
- Helps absorb oil and excess sebum throughout the day.

BALANCE by Young Living Dual-Phase Toner

Key Ingredients

Noni extract: This ingredient reduces excess sebum on the surface of the skin, and minimises the appearance of blemishes. Native to Southeast Asia and Australia, noni is noted for being able to survive harsh environments and is one of the first plants to colonise lava-ridden areas.

Ocean minerals: Ocean minerals deliver immediate glow to the skin and help minimise the appearance of pores in only 15 minutes. Our minerals are from sea water sourced from a deep marine lake off the Atlantic Coast, located in Noirmoutier, France—an island known for its salt marshes and salt banks. This sea water flows through different geological layers within the island, making it rich in manganese, zinc, iron, and lithium. These minerals promote clarity and have a soothing and remineralising effect.

Pseudoalteromonas ferment extract: Produced via fermentation, this extract immediately reduces excess shine and provides an eight-hour mattifying effect on the skin. This sustainable marine extract is isolated from the glacial environment of the Antarctic Ocean.

Ethically sourced bentonite clay: This ingredient absorbs excess oil and impurities without stripping skin of excess moisture, leaving it matte and healthy-

looking. Before shaking the toner, you will see the bentonite settle to the bottom of the bottle, creating a dual-phase formula.

Malachite extract: This semiprecious stone has a high copper content and is rich in antioxidants that help protect the skin from environmental stressors. It also gives the toner its blue colour.

Proprietary essential oil blend: BALANCE by Young Living utilises an exclusive blend of Lavender, Patchouli, Lemon, and Rosemary essential oils formulated by Young Living Founder D. Gary Young to help support oily and blemish-prone skin.

Cautions

Keep out of reach of children. For external use only. Avoid contact with eyes. Discontinue use if irritation occurs.

Storage

Keep in a cool, dark place.

Directions

Shake well before use. After cleansing, use to moisten a cotton round and sweep over skin morning and night. Avoid eye area.

BALANCE by Young Living Dual-Phase Toner
