

Citronella

Product Size: 5 ml Item No. 32159

Citronella essential oil has a crisp and citrusy aroma with lemony notes and is derived from the grass named after the French word meaning “lemon balm”. Belonging to the Cymbopogon family, citronella grass is a species of lemon grass which grows to about 2m in height. Originating in Indonesia, this species produces a fragrant essential oil that has been used in many beauty products, including perfume.

Refresh your beauty routine by adding a drop into your facial lotion, spreading evenly into skin for a soothing and moisturising addition. Or use in your shampoo to leave your hair and scalp feeling cleansed and invigoratingly fresh.

Benefits and Features
