

Essentialzymes-4

Product Size: 60 ct

Item No. 464508

Essentialzymes-4 is a multispectral enzyme complex that combines pure essential oils, herbs, and specially selected enzymes to help you meet your nutritional and wellness goals. These capsules use time-release technology. The plant-based enzyme is designed to be released immediately upon entering your stomach, where the pH environment is generally more acidic. The animal-based enzyme is designed to delay its release in the lower intestine region, where the environment is more alkaline.

Benefits and Features

- Utilises dual targeted-release technology that releases the animal- and plant-based enzymes at separate times within the digestive tract.
- Features animal-based enzymes designed to target release in the lower intestine region, where environment is more alkaline.
- Features plant-based enzymes designed to release immediately upon entering the stomach, where pH environment is broad and acidic.
- Formulated with a unique blend of herbal ingredients to help meet your nutritional and wellness goals.
- Infused with Ginger, Fennel, Tarragon, and Anise premium essential oils.

Directions

Take 2 capsules (1 dual dose blister pack) 2 times daily with largest meals (4 capsules total).

Storage

Keep in a cool, dry place. Do not expose to excessive heat or direct sunlight.

Cautions

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use. Food supplements are not a substitute for a varied diet and should be consumed as part of a balanced diet and healthy lifestyle. Do not exceed the recommended dose.
