Connect to your core and balance your mind, body, and soul with Highest Potential essential oil blend. Featuring 14+ premium oils, this uplifting, exotic aroma is designed to empower you to see your own potential, supporting you to reach your goals and dreams by elevating your thoughts and actions. Wake up and start your day right by dabbing this blend onto your neckline, so you can be and do more. Get gym-ready by gently breathing in the inspiring scents for a burst of motivation. Lean into your true potential, not just going after your dreams but chasing them!

Benefits and Features

- This blend was one of Young Living Founder D. Gary Young's favourite blends that he applied daily.
- Has an elevating, sweet aroma that helps promote a sense of focus and clarity.
- Provides an aromatic experience to increase your capacity to achieve your highest potential.
- Contains the naturally occurring constituents Limonene, Gamma costol, Linalyl acetate, and Alpha eudesmol.

Suggested Use

- Apply 1-3 drops topically to promote feelings of stability and clarity.
- Dab it on your pulse points for comforting inspiration.
- Use it during times of meditation, personal reflection, and goal setting.

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use. Avoid direct sunlight or UV rays to application area for up to 12 hours.

Directions

Apply to desired area. In case of sensitivity, dilute 15 drops in 10 ml of Young Living V-6®.
