

LavaDerm After-Sun Spray

Product Size 57 ml

Item No. 29027

Feel refreshed after a day in the sun with Young Living's LavaDerm After-Sun Spray. Ideal for the whole family to use at the beach, on a hike, or after playing outside, this spray includes menthol from mint to soothe and cool the skin. Plus, its moisturising qualities—from ingredients such as aloe, Lavender essential oil, and Helichrysum essential oil—leaves the skin feeling soft, smooth, and hydrated. With a vegan-friendly formula made without synthetic fragrances or synthetic colourants, this naturally derived after-sun spray will help your family to keep playing all day.

Key Ingredients

Natural menthol, Lavender essential oil, Helichrysum essential oil, Northern Lights Black Spruce essential oil, and aloe.

Benefits and Features

- Soothes and cools the skin after a day in the sun.
- Moisturises the skin to help prevent dryness.
- Leaves skin feeling soft, smooth, and refreshed.
- Vegan-friendly.
- Dermatologist tested and hypoallergenic.
- Made with 100% plant-based, naturally derived ingredients.
- Promotes smooth-looking skin.
- Formulated without parabens, phthalates, petrochemicals, animal-derived ingredients, synthetic preservatives, synthetic fragrances, or synthetic colourants.

Directions

Shake well. Adults and children 2 years of age and older: Apply to desired area no more than 3-4 times daily. Children under 2 years of age: Please consult a doctor before use. **Warning:** This product will not protect your skin from sun burn.

LavaDerm After-Sun Spray

Product Background

Many after-sun sprays contain harsh chemicals and artificial ingredients, but Young Living's LavaDerm After-Sun Spray was designed to offer something better. Made with naturally derived ingredients and premium essential oils specially chosen for their soothing properties, this unique topical spray uses natural menthol from mint for an effective cooling sensation.

Cautions

Keep out of reach of children. For external use only. Discontinue use if skin irritation occurs. Do not use on damaged or broken skin. Avoid contact with eyes. If contact occurs, rinse them immediately and thoroughly. If product is swallowed, get medical help or contact a Poisons Information Service right away.

Storage

Store at room temperature.
