

Melrose

Product Size: 15 ml

Item No. 32163

Young Living Founder D. Gary Young created Melrose essential oil blend for its potent cleansing properties. This blend features a dynamic combination of two Melaleuca oils: Melaleuca Alternifolia (Tea Tree) and Melaleuca viridiflora (Niaouli). Enhanced by the invigorating essence of Rosemary and Clove, Melrose becomes a powerhouse for skin wellness.

With its warming blend of Tea Tree, Niaouli, Rosemary, and Clove, it's perfect for placing onto pulse points, especially during colder seasons. The woody, and cleansing scent is a timeless classic, providing a genuinely calming experience. Enhance your daily routine by adding a few drops into your body wash for a herbaceous touch. Alternatively, create a tranquil bath experience by adding it into hot water, allowing you to breathe in the refreshing and invigorating notes for a spellbinding sensory journey.

Benefits and Features

- Has a fresh, herbaceous aroma.
- Reduces the appearance of blemishes and minor skin imperfections.
- Features Tea Tree essential oil, which is known to help support the appearance of healthy skin.

Directions

Apply to desired area. In case of sensitivity, dilute 5 drops in 15 ml of Young Living V-6®.

Suggested Use

- Gently inhale for a refreshing and uplifting aromatic experience.
- Apply topically to help support the appearance of healthy-looking skin.
- Transform your bath routine with 6-8 drops, enjoying the invigorating notes.
- Dilute with Young Living V-6® Enhanced Vegetable Oil Complex and rub into the skin for a blissful massage.

If you are pregnant, nursing, taking medication or have a medical condition, consult a health care professional prior to use.
