## Benefits and Features

- Relaxing, rejuvenating, and harmonising to the body, mind, and spirit.
- Can be applied topically to the feet, back, and neck as part of a targeted massage.
- Promotes emotional well-being and release.
- Invites feelings of peace, balance, and a renewed zest for life.

## Directions

The essential oils and massage oils included in this collection should be applied cosmetically on the body when performing the Raindrop Technique. For more information, follow the simple instructions on the enclosed brochure. For additional usage instructions and cautions, please refer to each product label.

# Raindrop Technique Collection

---

## Product Background

Young Living's proprietary Raindrop Technique® combines unique, targeted massage and energy approaches with premium, authentic essential oils for a deeply harmonising, rejuvenating, and relaxing experience. The technique, developed by Young Living Founder D. Gary Young, draws from his experience with ancient wellness traditions and methods that have been used for centuries. The Raindrop Technique method provides a revolutionary means of nurturing harmony—physically, mentally, and emotionally.

## Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. Patch test prior to first use. If you are pregnant, nursing, taking medication or have a medical condition, consult a health care professional prior to use.

## Ingredients
