

# Tea Tree

Product Size: 15 ml Item No. 32052

Tea Tree essential oil, also known as Melaleuca or Melaleuca Alternifolia oil, is one of the most widely used and extensively researched essential oils, making it a must-have for every home. In addition to offering a particularly fresh scent, its advantages also include outstanding cleaning properties. In fact, Tea Tree is so versatile that it can be used for almost everything – from creating a signature scent to boosting your beauty routine. Incorporate this moisturising yet cleansing oil into skin care applications and hair treatments for a spa-quality upgrade!

## Benefits and Features

- Reduces the appearance of blemishes.
- Includes naturally occurring constituents terpinene 4-ol, gamma terpinene, and alpha-terpinene.
- Included in Young Living Purification® and Melrose essential oil blends, and more.
- Maintains the appearance of beautiful skin and nails.
- Helps maintain lush-looking hair and scalp.
- Has a fresh, purifying scent.
- May work as a naturally derived deodorant.

## Suggested Use

- Reduce the appearance of blemishes by applying topically.
- Combine with water in a small glass spray bottle and use as a naturally derived body spray.
- Combine with citrus scents such as Lemon or Lemongrass for a naturally derived deodoriser.
- Add to homemade soaps and moisturisers to experience its cleansing properties.
- Apply to skin as part of your nighttime routine to help maintain the appearance of radiant skin.

## Directions

Apply to desired area. In case of sensitivity, dilute 15 drops in 10 ml of Young Living V-6®.

## Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
