Product Background

Our Thieves® Household Cleaner is a naturally derived, plant-based cleaner powered by pure essential oils to replace harsh chemicals in your home.

This naturally derived cleaning solution features our Thieves® essential oil blend, inspired by the legend of four 15th century French thieves who formulated and wore a special aromatic combination of clove, rosemary, and other botanicals that they believed provided protection while they were stealing. French authorities recognised that there was such value in this mixture that upon

the thieves' capture, they received a more merciful punishment on condition that they divulge the ingredients in their secret formula.

Crafted in the spirit of that legendary combination, Young Living's one-of-a-kind Thieves® blend can be found in all of our Thieves® products. Featuring the powerful essential oils Lemon, Clove, Cinnamon Bark, Eucalyptus Radiata, and Rosemary, Thieves® imparts a spicy, welcoming aroma everywhere it's used.
