Thieves®

Product Background

In France during the 15th century, thieves would sneak into graveyards to rob from the dead and dying. Legend says they protected themselves by creating a special aromatic combination composed of clove, rosemary, and other botanicals. Today, Thieves® essential oil blend is inspired of those tales of old. Combining Clove, Cinnamon Bark, Lemon, Eucalyptus Radiata, and Rosemary essential oils, this blend is one of our most popular products. Use our household cleaning products or apply the oil blend topically for a refreshing experience.
