

DeepSpectra Frankincense²

Product Size: 5 ml

Item No. 44815

Enter a new realm of wellness with DeepSpectra Frankincense². This unique and brilliant fusion of Frankincense essential oil and frankincense resin compounds unlocks a brand-new essential oil extract that promotes skin vitality and overall radiance.

Benefits and Features

- Features a softly spicy, exotic aroma.
- Contains Boswellic acid which has been shown to be beneficial to skin.
- Supports and smooths dry skin.
- Created using patents-pending DeepSpectra technology.
- Its grounding aroma creates a safe and comforting environment.

Background

DeepSpectra Frankincense² is more than just another essential oil—it's a revolution in wellness. Meticulously created using our patents-pending DeepSpectra technology, Frankincense² results from using Frankincense essential oil in an innovative way to extract key additional compounds from frankincense resin, producing an entirely new complex. These compounds include boswellic acids, which are renowned for their cosmetic benefits.

Directions

Apply to desired area. In case of sensitivity, dilute 15 drops in 10 ml of Young Living V-6[®].

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
