Item No. 5167

Give your furry friend the ultimate spa treatment with Animal Scents® Shampoo! This shampoo is formulated with seven premium essential oils and other naturally derived ingredients to gently and effectively clean, condition, and protect your pet's coat. Formulated for all types of breeds and coats, Animal Scents® Shampoo promotes healthy-looking skin and coat for your pet.

## Key Ingredients:

- Cleans, conditions, and deodorises your pet's skin and coat.
- Plant-based formula infused with premium essential oils creates a soothing aroma that helps calm your pet during bathtime.
- Great for all breeds and coats, including long and short hair.
- Formulated without phosphates, parabens, phthalates, mineral oil, synthetic perfume or dyes, artificial colours, flavours/fragrances, preservatives, or toxic ingredients.

## Directions

Pour a small amount into your palms and rub gently between hands. Massage thoroughly into pet's wet coat and lather; rinse thoroughly and repeat if necessary. Keep in a cool, dark place.

## Cautions

Animal Scents® Shampoo is highly concentrated. If necessary, dilute with water. Specifically formulated for veterinary use. Keep out of reach of children. For external use only.
