

GARY'S LIGHT

Product Size 5 ml Item No. 36711

Gary's Light was formulated to enlighten our minds to a greater awareness of truth and discernment—certainly at a time when the world could use a ray of inspiring light. Mary explained that she often thought about new blends based on formulas Gary had made at home, and because of their close relationship, she often brought new things to light through her understanding of Gary and impressions she had.

Some of the oils have a rich history of ancient usage, and others are relatively new in their discovery, but this combination of oils has a fascinating array of different constituents that support body, mind, and soul. The warm scents of Cinnamon and Cistus, the richness of Myrrh and Lemongrass, and the awakening notes of Frankincense, Dorado Azul, Eucalyptus Radiata, and Hyssop promote a rejuvenating and harmonising experience. The aroma is so smooth, elegant, and perfectly balanced that it gives you a calming sense of strength that makes you feel grounded and protected and at the same time fills your heart with joy and peace.
