## PRODUCT BACKGROUND

Lavender essential oil is steam-distilled from the flowering tops of the *Lavandula angustifolia* plant. The English word “lavender” is thought to be derived from the Latin words *lividus* meaning “livid, bluish”, (referring to the colour of the plant), and *lavare*, meaning “to wash” (lavender was used historically to perfume baths and laundry). Lavender has a sweet, floral aroma that is comforting and calming, and our Lavender Oatmeal Soap has also been formulated with finely ground *Avena sativa* oat bran, helping with gentle exfoliation.

## SUGGESTED USE

Wet bar and work into a lather. Apply lather to all desired areas of the body to cleanse skin. Rinse thoroughly with water.
