PRODUCT BACKGROUND

Valor is one of the original blends formulated by D. Gary Young and is a long-standing member favourite. Each essential oil in the blend was carefully selected for its unique aromatic and topical benefits: Frankincense essential oil for its uplifting, earthy aroma and skin-smoothing properties; Black Spruce for its grounded, woody fragrance; Blue Tansy for its inspiring aromatic profile; Geranium for its sweet, floral fragrance; and Camphor Wood for its skin-benefitting properties and strong, herbaceous scent. Our Valor Soap brings the best qualities of Valor essential oil in the form of a handy bar, allowing users to introduce the uplifting nature of Valor essential oil into their everyday shower routine.
