Skin Smoothing Toner

Product Size: 120 ml Item No 51639

Your exfoliation ritual, reinvented.

Refresh and refine your routine with a gentle, multi-acid toner that smooths the appearance of uneven texture and pores without the abrasiveness of a physical scrub. Australian Lime Pearl, sea water minerals and skin-loving bioferments work together to exfoliate, hydrate and comfort, leaving skin looking brighter, smoother and more radiant.

Benefits and Features

- **Comfort-First Exfoliation:** Multi-acid blend provides gentle exfoliation, offering an alternative to physical scrubs for those seeking a less abrasive exfoliation experience.
- **Visible Brightness:** Helps brighten the appearance of dull/fatigued skin for a healthy-looking glow.
- **Clean Skin:** Helps clean the skin by removing excess oil and impurities, leaving skin looking bright and matte, while minimising the look of pores.
- **Refreshed Appearance:** Refreshes and tones appearance without over-drying.

Key Ingredients

Australian Lime Pearl / Caviar Lime Extract: A fruit-derived source of AHAs, bioflavonoids and polyphenols that gently exfoliates for smoother, brighter-looking skin. Hand-picked in coastal New South Wales, Australia.

Seawater Minerals: Sourced from mineral-rich waters off Noirmoutier Island, France. Rich in magnesium, calcium and trace elements, it helps hydrate and support the skin's moisture barrier.

Minerals + Bioferment Actives: Help hydrate and support the skin's moisture barrier.

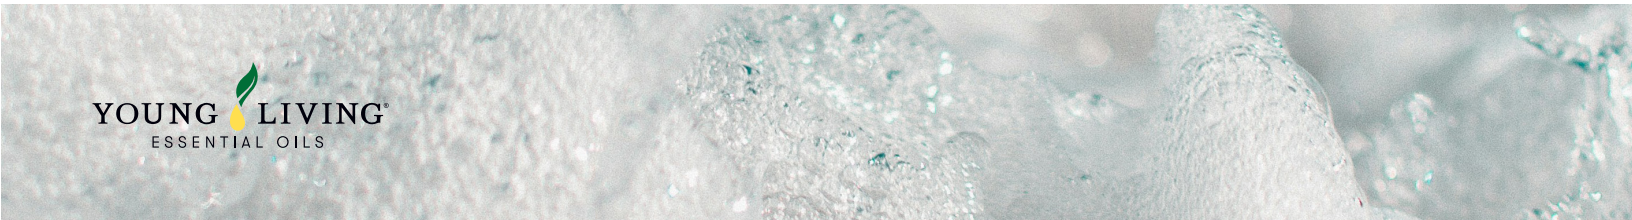

Multi-Acid Blend: A blend of lactic, citric and tartaric acids that exfoliates for smoother, more radiant-looking skin.

Ferment Extract Blend: Helps reduce the appearance of redness and leaves the skin feeling calm and comfortable.

Royal Hawaiian Sandalwood Essential Oil: helps smooth the appearance of skin and reduce the appearance of imperfections.

Directions

Dispense 10-15 drops onto a clean cotton round and gently sweep across skin on face, neck, and chest in upward motions at night. Wait until fully absorbed and follow with moisturiser.
