Size: 450g - 90 servings | Item No. 27208

MegaCal is Young Living's mega-delicious, powdered drink mix that's mega-rich in calcium! Not all calcium food supplements are created equal, especially when so many use synthetic and unnatural formulas and fillers. Every serving of MegaCal contains 210 mg of both calcium and magnesium that are naturally derived from seawater and limestone. We've also reformulated it so your body can better absorb the calcium.

Infused with our pure essential oils backed by our Seed to Seal® quality commitment, MegaCal also features an improved lemon-lime flavour. Get the calcium your body needs in one easy drink mix that's vegetarian, dairy free, gluten free, soy free, and non-GMO.

## PRODUCT BACKGROUND

MegaCal is a powerful combination of calcium and magnesium. Young Living takes pride in sourcing ingredients the natural way, with magnesium sourced from seawater and limestone. The calcium is also naturally sourced from limestone. Its delicious flavour comes from Lemon essential oil sourced from South Africa and Argentina and Lime essential oil sourced from Mexico, both backed by Young Living's Seed to Seal quality commitment. Keep up those calcium levels so your body can maintain normal bones and your magnesium levels to contribute to the normal functioning of your nervous system.

## DIRECTIONS

- Enjoy 1 hour after eating a meal or taking medication. Alternatively, an hour before bed, take 1 scoop (5 g) with 250 ml of water or juice. Do not exceed 3 servings daily.
- Food supplements are not a substitute for a varied diet and should be consumed as part of a balanced diet and healthy lifestyle.

## CAUTIONS

- For human consumption only. Keep out of reach of children. If pregnant, nursing, taking medications, or if you have a medical condition, consult a health care practitioner prior to use. Do not feed MegaCal to pets.
