

PayPal Quick Guide

You can pay for all order types with PayPal; including quick, ER, and phone. Like other payment methods, you must add PayPal to your wallet in the VO to use it for order payment. Please note, the only way for PayPal to be added to your wallet is through the VO. You cannot add PayPal without a back-up payment option (CC or PayPal funds).

Adding PayPal to 'My Wallet'

The screenshot displays the 'My Wallet' page. On the left is a navigation menu with categories: Dashboard, Member News, Essential Rewards, Quick Order, My Organization, Member Resources, and Message Center. Under 'My Account', 'My Wallet' is highlighted with a red box and a red arrow pointing to the 'Add New Payment Method' button. The main content area shows a list of payment methods: Visa (****5454, Expires: 07/20), MasterCard (****1111, Expires: 05/21), MasterCard (****5454, Expires: 02/19), Bank of Edgar (Account #: ****4748), and Bank One (Account #: ****6789). Each method has an 'Edit' link and a trash icon. Below the list is a teal button labeled 'Add New Payment Method'. At the bottom, there is a section titled 'Manage Essential Rewards Payments' with a note: 'To create, edit, and select your Monthly Order payment method, please click to visit the Essential Rewards Payments page.'

I want to use CREDIT UNION 1 x-0005 for future payments to Young Living's Test Store. I understand that if this payment method is declined or expired, the payment method used will follow PayPal Policies and that if I have a PayPal balance, that balance will be used first to complete my payment. I can also change my payment method or cancel this authorization any time in my Settings.
