End of Year Sale 2025

The Young Living End of Year Sale will run from 7 a.m. (GMT)* on 8/12/2025, until 23:59 p.m. (GMT) on 10/12/2025. All sale items are available on One-Time orders only while stocks last. In the case of Buy One Get One Offer items, the free product will automatically be added to your order with your purchase. These bundles have unique codes, please ensure you use the unique code. Offers are limited to 5 per Brand Partner.

When you are shopping, please be advised that items in your order are not guaranteed until received and shipped by our warehouse. No refunds after 14 days for non-faulty products. In the event that promotional stock runs out and replacements cannot be supplied, we reserve the right to issue a refund. Statutory rights will apply. Not available for purchase with Loyalty Rewards points. PV discounted as well as price. Please only use the D-codes listed on the End of Year Sale landing page. The same products may have other codes which will not include any discount. Orders placed before the sale will not receive the discounted rates. Kindly be advised that each promotion has a limited inventory allocation, and once depleted SKUs will revert to regular pricing once the promotional period has concluded, but not before. Some products will have labels with non-localised text. Please see your local European YL website for product descriptions and usage in accordance with European regulations. Essential oils are for cosmetic and external use only. Please do not rely on slower payment methods such as SEPA and bank transfer, as our stock will run out fast and you may be disappointed. Pay immediately by card to avoid disappointment. We reserve the right to cancel orders that precede the official launch, which will be communicated via email. To ensure a smooth shopping experience, we kindly ask you to refrain from adding sale items to your baskets before the official launch.

*We intend to start at 7 a.m.(GMT), but this will be subject to final checks and may be

delayed. Given the demand on YL websites globally at this time, a queuing system may become necessary, meaning a short delay before you can shop. Shop early in the day to minimise the chances of this.
