Pharm. Daniela Haidu, PhD.

Learn how to keep you and your children healthy with Pharm. Daniela Haidu, PhD. She'll be giving you the lowdown on Young Living supplements and how to be the happiest, healthiest version of yourself.

Led by the motivation to help people, Daniela attended Pharmacy faculty courses and due to her desire to understand and study more completed her master's degree and doctorate. She discovered the world of research but was constantly connected to people's needs for health. Her motivation is to educate people on simple things, but with long term effect: approaching a healthy lifestyle. Research is an anchor for brain activity, but the creativity that comes from working with people is the one that opens her horizons. Most of all, she is grateful for her family!

Katarzyna Kate Kowalczyk

Make your home sparkle and shine with help from Katarzyna Kate Kowalczyk who ditched and switched from chemical-heavy household cleaners to all plant-based products and has never looked back!

Diamond member Kate was born and raised in Poland before moving to the USA where she changed her life with Young Living. She noticed her life became more relaxed by switching to chemical-free, clean products. Over the years, she has followed D. Gary Young's teachings, experienced the Seed to Seal promise at Young Living farms, has inspired others as an international speaker and leader and been featured in the publications Essential Oils and RISE. Passionate about sharing her knowledge and experience, she hopes to inspire others to achieve great results, from well-being, to joy and abundance in everyday life.

Antje Lüdemann

Learn how to cultivate and care for your customers with Diamond member Antje and find out more about her approach to treating each customer as an individual for more impact.

Antje Lüdemann began her career in Germany as a nurse before becoming a naturopath and joining Young Living in 2011. The essential oils and the authentic, true, impressive support she received from Mary and Gary helped her reach Diamond rank in 2018. Antje is motivated by the challenge of working with various types of people and her motto on being a successful leader is “inspiration follows information and never force people, never manipulate, but support their potential as best you can”. Young Living has changed her, and her families lives in such a positive way that she had never dreamed possible.

Isabella Magdala

Be inspired by Isabella Magdala as she shares her secrets to unleashing the power within yourself, your family and your team for a better life balance in a joint workshop with Maria Angeles Marin.

Isabella Magdala is a psychologist, sexologist, writer, speaker and scientific researcher. She is currently completing her doctoral thesis. She came to Young Living thanks to Frankincense and Lavender, but after receiving her Starter Kit and feeling the energy, her life changed. Even with a busy schedule, she managed to share Young Living and in her third month was already Silver. Within three years, Isabella reached Platinum—the first in Spain to see such growth. Isabella loves these oils and the Young Living lifestyle because it means helping people to improve their quality of life on a personal and professional level.

Maria Angeles Marin

Diamond member Maria will join Isabella to give you the tools you need to use the power inside yourself.

Maria Angeles Marin, colloquially known as MA, is self-taught by nature, curious and loves to learn new things every day. This has led her to become an aromatherapist, coach, mentor and leader. Her first order with Young Living was in 2013, and from that day on she knew she had become an entrepreneur. From the very beginning she took her business with Young Living as a challenge of personal growth and learning on a day-to-day basis and that's what makes her fall in love with her job every day. Her greatest achievement in her life is raising three beautiful daughters.

Brian Mayne

Brian will be joining us for TWO exclusive workshops, designed to give you the tools you need to ‘live your best life’ and ‘achieve your Young Living dream’ with goal mapping!

Brian is an inspirational speaker, author and leader on the science of positive thinking and goal achievement. Brian’s world-leading whole-brain success system, Goal Mapping, is used across many industries. Brian is a winner of a National Training Award in the UK, was voted UK Speaker of the Year by the Academy of Chief Executives and pursues a personal goal of helping Lift 7 Million Lives. He is the author of four books in eight languages, and his workshops and presentations—just like his writings and recordings—are valued for being simple in their message, practical in application and effective at delivering transformative results.

Aditya Nowotny

Aditya will motivate you on your Silver Bound journey with top tips and advice on creating a foundation, building your business and becoming a leader.

Crown Diamond Aditya is a motivational speaker and an international meditation teacher who has taught to over 135,000 people globally. Passionate about the personal and collective progress of people in the fields of holistic wellbeing and personal and spiritual development, he inspires others to follow their true purpose to achieve abundance. Until he joined Young Living in 2009, Aditya had never found essential oils with Young Living’s supreme “Seed to Seal” quality. Young Living was a perfect fit for Aditya, as Gary & Mary Young’s vision, mission and purity of their oils fit perfectly with his own purpose and vocation.

Simona Roman

Don’t miss motivational Diamond member, Simona who’ll be sharing her Young Living journey and insight into how to build your business in a low-income market.

Simona started out with a Premium Starter Kit and an interest in only two oils—Melrose and Lavender. Within four and a half years, she reached the rank of Diamond with Young Living. Shortly after discovering the amazing benefits of the products, she started sharing YL with her family and closest friends in Romania, under the motto: “Take the oils now, you’ll thank me later”. Simona resides in Charlotte, North Carolina with her husband and their three wonderful children but is continuously growing and caring for her team—of which more than 90% are in Europe!

Debra Starkey

Discover more about the treasures that are essential oils with Royal Crown Diamond and bestselling author, Debra. She'll guide you on how to use essential oils safely, effectively and to their highest potential.

Debra Starkey is a best-selling author, mother, newly-married to Bill Starkey and has spent 20 years with Young Living achieving the prestigious rank of Royal Crown Diamond. Though retired from personal consulting as a Naturopath, Master Herbalist, Aromatherapist and Nutritional Counsellor, Debra spends her work hours helping others understand both the benefit of nutrition combined with essential oils and growing a successful business. Her books include Gentle Babies, Nutrition 101: Choose Life!, Road to Royal, Road to Wellness, Art of Blending and Bon Voyage.

Carol Yeh Garner

Carol will teach you how to be more successful with Young Living through the power of shifting your mindset. Learn the simple ways to tweak the way you think to ditch the fears and flourish!

Carol purchased her Young Living Premium Starter Kit in October 2013 and had no plans to do this as a business, but loved the products so much, she started sharing her success stories with others and her business grew organically. She quit teaching Hypnobirthing and closed her hypnotherapy practice in 2014 so she could focus solely on Young Living. She hit Royal Crown Diamond in 27 months. Her background in Clinical Social Work and Hypnotherapy have helped her teach her team the resources and skills necessary to replicate her success.
