

Sponsor Change Three Active Support Team Form

To protect the integrity of all marketing organisations, Young Living strongly discourages changes in sponsorship. There may exist extenuating circumstances, however, that necessitate a sponsorship change as explained in Young Living's Policies and Procedures (section 12.1.1). By submitting this completed form, all named persons approve of this proposed sponsor change. All requests will be reviewed and considered, but submission of this form **does not guarantee** that a sponsor change will be approved by Young Living.

The YL Individual who is having their sponsor changed must acknowledge and agree to the following conditions by signing their initials on the line next to each item and indicate if their spouse or a minor in their house has an account.

_____ 1. I understand that I will forfeit all rights to my team. My team will roll up to the next active support team in the organisation. (Note: YL Individuals from your team will not be allowed to move back to your team via this process).

_____ 2. Sponsor change requests are subject to Young Living's approval and must comply with the Policies and Procedures.

_____ 3. If incorrect or unreadable information is provided, the request may be denied. Forged signatures will not be tolerated. If forgery is suspected, this form will be referred to the Conduct Success team and may result in termination of the account of the person who committed the forgery.

_____ 4. I acknowledge that an approved request could result in a change in organisational structure and could ultimately impact commission earnings. In addition, I understand that a sponsor change may result in there being no enroller listed on my account.

_____ 5. There is a sponsor change fee of GBP 22/EUR 25/SEK 280 (+ VAT), due at the time of change. By default, the YL Individual who is moving will have credits on file or a credit card on file attempted to pay this fee unless an alternate form of payment (SEPA or PayPal) has been provided. Not having credits, usable credit card, or alternate form of payment will result in a delay in the sponsor change being processed. Do not provide full credit card information on this form.
