

Product Summary

Young Living's Prostate Health is an essential oil supplement uniquely formulated for men concerned with maintaining healthy, normal prostate function. It features powerful saw palmetto and pumpkin seed oil. A proprietary blend of pure geranium, fennel, myrtle, lavender, and peppermint essential oils provides the body with key anti-inflammatory components through the constituents citral, anethole, and linalool. These precision-delivery vegetable softgels quickly absorb into the system, thereby supporting healthy inflammation response and normal urinary tract function. Prostate Health is uniquely formulated to deliver 470 mg of saw palmetto, 370 mg of fatty acids, and 200 mg of Young Living's essential oil blend per daily dose.

Primary Benefits

- Supports healthy prostate function and overall male glandular system.
- Helps maintain healthy urinary tract function and male life activities.
- Supports healthy inflammation response.

Who should take Prostate Health?

- Adult males 40 years of age or older.
- Any adult male who desires a healthy prostate and overall male glandular system support.
- Any adult male who wants to support a healthy sex life and urinary tract flow.

Suggested Use

Cautions

- If you're taking medication or if you have a medical condition, consult a health-care practitioner prior to use.
- Saw palmetto may possibly affect the blood's ability to clot and could interfere with any blood-thinning drugs you may be taking, including Warfarin (Coumadin), Clopidogrel (Plavix), and aspirin.

Complementary Products

- NingXia Red®
- Longevity™ Softgels

Did You Know?

- The prostate is a walnut-sized gland that grows rapidly during puberty and then doesn't change until about age 40, when it slowly begins growing again and often becomes victim to cell overgrowth.
- Normal prostate function can be supported by starting a natural, herbal prostate health regimen.
- For maximum benefit, Prostate Health should be taken consistently over time.
