

### Product Summary

Combining state-of-the-art ultrasonic technology and traditional Chinese craftsmanship, Young Living's Rainstone Diffuser provides a balanced convergence of the grounding element of earth with the enveloping powers of essential oil-infused mist. Created with an exquisite and rare purple clay found only in a small region of China, each Rainstone Diffuser is handmade using ancient craftsmanship passed down from generation to generation for more than 1,000 years.

Young Living's Rainstone has a robust feature set, including continuous ultrasonic diffusion at 1.7 million waves per second; one-, two-, three-, six-, and eight-hour settings with automatic shutoff; five soft LED light settings (blue, yellow, purple, alternating each color, and off); a negative ionizer; and a remote control. The Rainstone's elegant design and handcrafted artistry make it an exquisite piece of art to complement any décor and transform any space into an inviting, aroma-filled atmosphere.

### Contents

Rainstone Diffuser, water cup, remote control, cleaning brush, power adaptor, and operation manual

### Primary Benefits

- Diffusing essential oils is a perfect way to dispel odors and create an atmosphere of peace and harmony.
- Transforms any space into an inviting, aroma-filled atmosphere.
- One-, two-, three-, six-, and eight-hour settings with automatic shutoff.
- Five soft LED light settings (blue, yellow, purple, alternating each color, and off).
- Includes a negative ionizer.
- Comes with a remote control.

### Suggested Use

1. Fill the included water cup with room-temperature tap or mineral water. (Do not use purified or distilled water or the diffuser may not generate mist.)
2. Add 8–10 drops of your favorite essential oil into the water cup.
3. Remove the lid from the diffuser.
4. Pour the water and essential oil mixture into the water reservoir.
5. Place the lid back on the diffuser.
6. Press the remote control "ON/OFF (8H)" button to turn on the diffuser, LED light (alternating blue, yellow, and purple), and the ionizer with automatic shutoff after eight hours or adjust settings as desired.

(Refer to the Rainstone Diffuser Operation Manual for detailed instructions.)

### Cleaning

Always turn off and unplug the diffuser prior to cleaning. To ensure proper performance, clean the water reservoir, water level sensor, and ultrasonic plate after each use. Never use a corrosive detergent to clean the ultrasonic plate or damage will occur. Periodically check under the diffuser to keep the fan intake free of debris. (Do not use aerosol sprays, solvents, or abrasives to clean the diffuser.) When not in use, clean the diffuser and store dry. (Refer to the Rainstone Diffuser Operation Manual for detailed instructions.)

### Cautions

- Keep out of reach of children.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
- For all other safety and care information, refer to the Rainstone Diffuser Operation Manual.

### Why Use the Rainstone?

- Customizable run times: One-, two-, three-, six-, and eight-hour diffusion time settings with automatic shutoff
- Variable light settings: Five soft LED light settings (blue, yellow, purple, alternating each color, and off)
- Features a negative ionizer

### Complementary Products

- Lavender Essential Oil
- Joy<sup>™</sup> Essential Oil Blend
- Citrus Fresh<sup>™</sup> Essential Oil Blend

### Did You Know?

- The Rainstone requires 4–5 hours and dozens of hand-produced manufacturing steps to create—a skill set that requires at least three years of experience for each technician to perfect.
- Diffusion disperses essential oils into the air without heating or burning, unlike aroma lamps or candles that reduce the benefits and can even emit toxic compounds.
