

ESSENTIAL REWARDS FAQs

GENERAL QUESTIONS

1. How do I sign up for the Essential Rewards loyalty program?

You may sign up in one of two easy ways:

1. Online through **Virtual Office**
2. By sending in your completed Essential Rewards order form to Member Services via email at custserv@youngliving.com.au

2. May I change the items in my Essential Rewards order and still receive all of the benefits of the program?

Yes, provided your order is 100 PV or more. Any changes to the items must be made at least 4 days prior to your processing date (which is determined by you when you enrolled). These changes can be made online or by contacting Member Services. If you wish to cancel your order, you will need to contact Member Services.

EARNING GIFTS

1. How do I earn gifts through the Essential Rewards program?

When you automatically place consecutive Essential Rewards (ER) orders of 100 PV or more, you can earn exclusive gifts. You'll qualify for these gifts when you place consecutive Essential Rewards orders for 3, 6, 9, 12, 24 and 36 months. After 36 months, you'll receive gifts after every 12 months of consecutive orders of 100 PV or more.

Please note: The 100 PV requirement for qualifying for the loyalty gifts must be on one Essential Rewards order per month. No exceptions will be made to combine the PV of other orders placed in the same month to make up the total of 100 PV. Qualifying orders must be Essential Rewards orders only. **Standard web or phone orders are not eligible for loyalty gifts.**

2. How will I receive my gift?

The gift will automatically be added to your next Essential Rewards order of 100PV or more. The free gift will be added to the Australian ER order of 100PV or more that processes following the qualifying consecutive month (3rd, 6th, 9th, 12th). For example, if a member reaches their 3rd month in December, the 3rd month gift would be added to their ER order in January, provided their January order is 100PV or more.

EARNING GIFTS

3. What if I cancel my Essential Rewards order after the 3rd month? Will I still get my 3rd month gift?

No, your 3rd month gift will be sent out in your 4th consecutive Essential Rewards order. If you cancel after your 3rd month you will not receive your gift.

4. If I earn a gift and then don't process an order, can I re-earn that gift?

No, you may only earn each gift one time.

A member is eligible to receive a loyalty gift at any of the benchmarks (3, 6, 9, 12 months) once - with the exception of the annual loyalty gift (starting at 24 months and then every 12 months after that). If a member misses an ER order for two or more months they will start their qualification count from the beginning AND that member cannot re-qualify for a loyalty gift that they have already received. If you cancel your Essential Rewards order the month after you've earned a gift, the gift will come with your next processed Essential Rewards order should you choose to reactivate in the program.

Example: If a member received the 3 month loyalty gift in their 4th month ER order and then misses their 5th & 6th ER order they would then need to start over with their 6 month loyalty gift qualification. When the member reaches the 3 month mark for the second time they would not receive an additional 3 month loyalty gift; the next loyalty gift they are eligible to receive is at the 6 month loyalty gift, after 6 consecutive months of 100 PV.

5. If an existing member is currently using Essential Rewards with 50 PV orders or orders below 100 PV, can they qualify for this Essential Rewards incentive in the future?

You will be eligible to qualify for this incentive when you start placing 100 PV Essential Rewards orders at any time to begin participation. As this is an ongoing incentive, members can join at any time, and when they reach the benchmarks for consecutive orders, the loyalty gifts will be added to their order.

6. Can reactivating members participate in this incentive? What about retail-to-wholesale members?

Yes to both, provided you join the Essential Rewards Program and start placing consecutive orders of 100 PV.

7. What about overseas members who move to Australia?

If the member is already on Essential Rewards overseas and then joins Essential Rewards in Australia at 100 PV, without skipping a month, they will continue to earn the gifts.

8. Will the grace month still be available with the ER program enhancements?

As of November 1, 2016, the option to select a grace month is no longer available. Members will not be able to select this option online. If a member misses two or more orders within a year, he or she will have to start over with loyalty gift qualification and will begin accumulating points again at the 10 percent level. Any previously earned loyalty gifts will not be available upon requalification.

EARNING POINTS

1. How many points do I earn for my Essential Rewards order?

You will receive points based on a percentage of your PV for each Essential Rewards order. The percentage you receive depends on how many months you have consecutively placed Essential Rewards orders.

1-3 months: 10% of each Essential Rewards order

4-24 months: 20% of each Essential Rewards order

25+ months: 25% of each Essential Rewards order

6. When redeeming my points, do I go by the dollar amounts or the PV amounts on the price list?

When redeeming Essential Rewards points, use the PV amount rather than the dollar value. For example, if you have 50 points, you may redeem them for any product with a PV value up to 50. Points may only be redeemed for products with full PV values.

Products that cannot be redeemed using PV value include collections, sets, kits, packs, NingXia Red bottles and sachets, NingXia Zyng and partial and 0 PV items.

Partial PV items include*
