

MEMBER SUCCESS STORY

GOLD

In the spotlight with:

Emma Schubert

What was your occupation before you joined Young Living?

Primary School Teacher.

What is your favourite Young Living product and why?

Frankincense, I love how much it grounds me.

Why would you recommend for others to join Young Living?

I would recommend Young Living to anyone for multiple reasons. The community and support is amazing, but it has made it so easy to switch my home over to low tox products which was my original goal when beginning this journey.

What, in your opinion, makes Young Living unique?

It is so unique in how Young Living value their members. I will never be unappreciative of all the support we receive.

How has your life changed since you joined Young Living?

From the start of our journey to now has been such an incredible change. We have managed to switch our whole home over to low tox products. All the time and effort we have put into sharing our experiences and knowledge about natural living with others has allowed us to build a business and work towards my goals of being financially secure.
