What was your occupation before you joined Young Living?

Visual Merchandiser.

What is your favourite Young Living product and why?

So hard to choose just one! My favourite oil is Idaho Blue Spruce, a drop on my head every day to raise my frequency. And I cannot start the day without Ningxia Red.

Why would you recommend for others to join Young Living?

Young Living have made it so easy to switch to a healthy, chemical-free lifestyle. The oils are the best quality in the world and the community and support is next level.

What, in your opinion, makes Young Living unique?

The farms, the quality of the oils, the generosity and the culture of the company.

How has your life changed since you joined Young Living?

Our whole lifestyle has changed! I had no idea when I purchased my kit that Young Living would completely change our family's health and wellness. The business is just the best and I am so grateful to be able to work from home doing a job that I love and that I get to help others do the same.
