What was your occupation before you joined Young Living?

Naturopath.

What is your favourite Young Living product and why?

My favourite product is the Starter Bundle. This product is great to help kickstart your journey with oils. You get to experience a variety of oils which is sure to make you to fall in love with the Young Living range. It's everything you need to get started and has replaced so many harsh products in our home.

Why would you recommend for others to join Young Living?

Young Living is a company that has great integrity and brilliant quality. They care about the products they produce and release into the market. The products we get to use can make a huge difference in people's wellbeing.

What, in your opinion, makes Young Living unique?

Young Living cares for and blesses all their members and business builders. They back it up with products that are at the top of the market.

How has your life changed since you joined Young Living?

It has changed in a lot of ways. I get to meet beautiful like-minded people and help them better their wellbeing by recommending amazing products that I know contain no harsh ingredients. I am surrounded by a beautiful community of people who all have the same goals. I am blessed to manage a team who all want to improve the wellbeing of the people in their lives.
