**What was your occupation before you joined Young Living?**

I work as an intuitive medium and still do.

**What is your favourite Young Living product and why?**

This is a hard question as I love so many of the products. My favourite essential oil blend is Believe™ - the smell is simply delicious! My favourite Young Living food that was life-changing for me is NingXia Red®.

**Why would you recommend for others to join Young Living?**

I love the ethos of the company. It's a company that is first and foremost purpose driven and gives back to the community and to the environment in ways that leave me in awe.

**What, in your opinion, makes Young Living unique?**

The transparency and integrity.

**How has your life changed since you joined Young Living?**

I love being of service, and this company has given more than I could ever hope and dream of. I love making a difference - and on top of that, I have seen this bless so many families and people on every level with health, purpose and abundance.
