**What was your occupation before you joined Young Living?**

**Tash:** Admin Assistant and stay at home mum.

**What is your favourite Young Living product and why?**

**Tash:** Frankincense essential oil is our favourite, it's the whole reason why I started with Young Living – I found it in my wellness research. It smells divine and everyone should use it daily!

**Why would you recommend for others to join Young Living?**

**Tash:** Superior quality products - we don't just have the best essential oils in the world, but products that support the body with real plant power!  
If you are committed to making changes, YL will help to reduce chemical load in your home and fuel your body with nourishment - YL is a wellness Lifestyle.  
The Young Living business opportunity can offer you, friendships, flexibility, a job like no other.  
Time & purpose – two of the most precious qualities to have in your career & life.

**What, in your opinion, makes Young Living unique?**

**Tash:** The purity and quality of Young Living essential oils and the ability to visit our farms. Like-minded supportive community. Gary's passion – helping everyone be well! Purpose, not profit driven.

**How has your life changed since you joined Young Living?**

**Tash:** It's allowed us to spend more time with our children along with a life without boundaries – only opportunities!
