What was your occupation before you joined Young Living?

Sales, admin and stay at home mum.

What is your favourite Young Living product and why?

The whole Thieves Range. Thieves Household Cleaner because it doesn't contain harsh chemicals and is so versatile.

Why would you recommend for others to join Young Living?

Young Living sets people on a wonderful journey of discovery of not only the wonderful world of aromatherapy and Essential Oils, but also of low-tox living.

What, in your opinion, makes Young Living unique?

Their large number personally owned farms and high quality standards for their Partner Farms. Gary's mantra that he never made a product for profit, but for purpose.

How has your life changed since you joined Young Living?

The same as why I recommend YL. It has set me on a wonderful journey of discovery of not only the wonderful world of aromatherapy and Essential Oils, but also of low-tox living.
