What was your occupation before you joined Young Living?

Customer Relations Officer in the childcare industry.

What is your favourite Young Living product and why?

That's a hard question, I don't have one favourite product. My top essential oils are Frankincense, Stress Away & Joy. I love Thieves Household Cleaner, it's so versatile and effective.

Why would you recommend for others to join Young Living?

We all care about our wellness. Young Living is your one stop shop that delivers your wellness box straight to your door every month. Young Living allows you to take control of your well-being.

What, in your opinion, makes Young Living unique?

Young Living's Seed to Seal promise is not like any other company, the transparency and the effort that goes into every single product available is evident in the quality of the products.

How has your life changed since you joined Young Living?

Young Living has provided my family with wellness and abundance and allows me to control my life.
