**How has your life changed since you joined Young Living?**

I have more like-minded friends and connections. My home is a healthier and cleaner place to be in. I am the happiest and most content I've ever been from the support of my oils. I have been able to create my own work schedule which has allowed me to spend more time with my family.

I was a little yes, I didn't fully understand what it meant but I just couldn't resist not wanting to share once my Starter Bundle arrived! I wanted to share it with the world!
