Traditional cleansers are often harsh, leaving skin thirsty and encouraging it to produce pore-clogging impurities. Mirah™ Luminous Cleansing Oil uses cleansing and clarifying oils to remove these impurities, improving skin texture and leaving you glowing!

Mirah™ Luminous Cleansing Oil’s 100 percent plant-based formula makes it gentle on the skin but tough on impurities. Simply massage into skin for one minute, rinse with water, and pat dry to reveal fresh, moisturised, glowing skin. The carefully selected essential oils and carrier oils in this product EASILY REMOVE STUBBORN MAKEUP, DIRT, AND GREASE while also providing DEEP HYDRATION, WITHOUT CLOGGING PORES.

This perfectly balanced blend of essential oils suits all skin types; no matter your skin is dry, oily, sensitive or blemish-prone, there’s no need to compromise!
