NZ TRAINING WORKSHOPS - TOPICS

BRENDA ROGERS

Training Manager, Young Living Australia & New Zealand

NUTRITIONALS & WOMEN'S HEALTH: Discover the foundational principles underpinning natural medicine and the benefits of Young Living's nutritional supplements specific to women.

ESSENTIAL OIL BASICS: In this dynamic and informative session, you'll learn more about how to use oils safely and responsibly. We'll also go into detail on 4 oils that are universally loved and appreciated.

AROMA YOGA: Experience first-hand how essential oils can enhance your yoga practice and improve your wellbeing. The benefits of yoga include stress management, better sleep and greater mindful awareness. Essential oils enhance these benefits and enable you to more effectively implement changes into your life, whether that's weight loss, better work performance or even improved relationships.

JEN GALLAGHER

Young Living Gold Member

THE POWER OF EMOTIONS AND ESSENTIAL OILS: Explore how essential oils can guide you until you become wildly clear and help you create the dreams you imagine.

HEALTHY HOMES: Discover how to clear the toxic chemicals from your home and create a safe, healthy environment with Young Living's Thieves® range and essential oils.

ESSENTIAL OILS & ANIMAL HEALTH: This introduction will teach you how to use essential oils for bonding with and nurturing horses, dogs, cats, birds and even fish!

KYLIE BRYANT

Young Living Platinum Member

BUILDING YOUR YL BUSINESS: Learn constructive, workable skills in business building that you'll be able to apply directly to your Young Living business and everyday life.

ESSENTIAL OILS & FOCUS IN CHILDREN: Explore a variety of ways in which various essential oils can be combined and applied to help children increase their focus levels.

SEEDLINGS: Learn all about our Young Living Seedlings™ line that provides naturally gentle, safe and pure products for the littlest members of our families. Unlike many baby products on the market, these soothing formulas are made without alcohol, parabens, synthetic fragrances, artificial dyes, or other unwanted ingredients.

KATRINA PERRYMAN

Business Development Manager, Young Living Australia & New Zealand

ART SKIN CARE, SAVVY MINERALS AND BIO-ACCUMULATION: Discover the features, benefits and correct application techniques for Young Living's ART® skin care range and Savvy Minerals by Young Living®.
