

## PRODUCT SUMMARY

Infuse your car with the sweet scents of Young Living essential oils with the Car Vent Diffuser! This simple, stylish diffuser - available in rose gold or grey - uses oil-absorbing cotton pads and the A.C. or heat from your air vents to fill your vehicle with the aromatic benefits of essential oils.

Use Stress Away™ during rush hour, Orange in the mornings and Peppermint while driving at night. Keep your favourite essential oils in your bag, add a few drops to the cotton pads, and you'll be cruising with your favourite aroma in no time!

## CONTENTS

- Car Vent Diffuser
- 6 reusable cotton pads

## EXPERIENCE

Welcome calm during rush hour or get excited for your road trip adventures with Young Living's Car Vent Diffuser.

## PRODUCT BACKGROUND

Young Living's Car Vent Diffuser is designed with your commuting needs in mind. Without the fuss of batteries or cables, this diffuser lets your air vent do the work! The Car Vent Diffuser is made with a simple, rotating clip to function with any vent, and it takes only seconds to set up.

## BENEFITS & FEATURES

- No batteries or cables required.
- Sturdy, long-lasting custom design.
- Well ventilated for maximum airflow.
- Strong magnetic closure keeps cotton pad in place.
- Adapts easily to any car vent configuration with rotating clip.

## CAUTION

Keep out of reach of children. Not for children under the age of 3.

**Warning:** Chocking hazard due to small parts.

## COLOUR VARIANTS

### Rose Gold

Item No. 25190

### Grey

Item No. 25200

## SUGGESTED USE

1. Put 6 - 8 drops of essential oil on the cotton pad.
2. Open the diffuser using the notch opposite the hinge.
3. Place the pad inside the diffuser, oil side down.
4. Close the diffuser. Pull out the back clip to rotate the YL logo until it's oriented to your vent.
5. Clip on to your vent and turn the air on to diffuse the aroma.
6. Hand wash the cotton pad as needed.

## FREQUENTLY ASKED QUESTIONS

**Q. How much oil does the Car Vent Diffuser hold, and how long will it run before it needs to be refilled?**

A. The cotton pad will hold 6-8 drops of essential oil. The frequency of oil replacement depends on the type of essential oil, the intensity of the vehicle's air flow, and the heat or humidity of your environment.

**Q. What type of material forms the Car Vent Diffuser?**

A. The outer cover is made of plated stainless steel, and the inner pads are made of 100 percent cotton.

**Q. Does the Car Vent Diffuser adjust to fit vertical or horizontal air vents?**

A. Yes, you can pull out the back clip and turn it to properly orient the YL logo to your vent configuration.
