EXPERIENCE

Enjoy your favourite oils with the Lantern Diffuser's top-of-the-line ultrasonic technology and elegant, classic lantern design. Easily customise your aromatherapy experience to fit any mood with 11 different light features and three different diffuser settings.

PRODUCT BACKGROUND

The Lantern Diffuser was created with the technological advancement and stunning design you've come to expect from Young Living. It complements your home or office decorations without distracting from your aesthetic, runs longer and offers a range of lighting features. The Lantern Diffuser is one of the most versatile diffusers Young Living has offered.

BENEFITS & FEATURES

- Provides a perfect way to relax, dispel odours and create an aroma-filled atmosphere of peace and harmony.
- Offers three run modes for a perfect customisable experience.
- Runs for approx. 5 hours continuously on High mode.
- Runs for approx. 8 hours continuously on Low mode.
- Runs for approximately 10 hours - 1 minute on, 1 minute off - on Intermittent mode.
- Has 11 different light settings that can be turned off or on independent of diffuser function.
- Includes a romantic candle-like flicker mode.
- Includes a light cycle mode, so colours transition gently from one to another every 5 seconds.

CAUTION

For safety and care information, refer to the Lantern Diffuser Operation Manual.

SUGGESTED USE

1. Remove both outer and inner cover.
2. Add room-temperature water until level reaches water fill line but does not exceed it. Always unplug the diffuser when filling or emptying the water reservoir
3. Add 8-10 drops of Young Living essential oil.
4. Replace both lids back onto the unit; align the groove on the inner cover to the half circle on the side of the reservoir.
5. Plug the power adapter into a power outlet.
6. Press the power button to turn on the diffuser. One push for High mode, two pushes for Low mode, and three pushes for Intermittent mode.
7. Press the light button to cycle through the light modes and colours.

Refer to the Lantern Diffuser Operation Manual for detailed instructions.

FREQUENTLY ASKED QUESTIONS

Q. Do you plan on making or offering any additional diffuser covers?

A. There will potentially be additional covers in the future.

Q. How much water does the Lantern Diffuser hold? How long will it run before it needs to be refilled?

A. The Lantern Diffuser holds 200 ml of water, or 4/5 of a cup. It will run for 5 hours continuously on High mode and 8 hours continuously on Low mode. It will run for 10 hours - 1 minute on, 1 minute off - on Intermittent mode.

Q. What type of material/plastic is used for the Lantern Diffuser?

A. The outer cover is made of cold-rolled steel metal, tempered glass, and polypropylene (PP) plastic. The inner parts are made of polypropylene (PP) plastic. All are safe for use with essential oils.

Q. How many LED light colour options are there?

A. The Lantern Diffuser offers 11 individual light settings with multiple colours, including a candle-like flicker mode. The lights can run independently from diffusion modes or be turned off while diffusing.
