

## PRODUCT SUMMARY

Young Living's AlkaLime™ is formulated with Lemon and Lime essential oils, organic lemon powder, antioxidants and biochemical mineral cell salts. This effervescent antacid formula starts working right away to soothe the occasional upset stomach, relieve heartburn and neutralise excess stomach acid. The citrus notes are sure to brighten your mood, and the mineral cell salts help support optimal pH balance in the stomach.

## KEY INGREDIENTS

Biochemical mineral cell salts, calcium, sodium, potassium  
Lemon essential oil, Lime essential oil

## PRODUCT BACKGROUND

So many foods are loaded with sugars and stimulants, impeding the body's ability to foster a healthy balance. We developed AlkaLime™ as a natural alkalinizing supplement that is free of artificial colours, flavours or sweeteners. This gentle antacid combines various biochemical mineral cell salts with Lemon and Lime essential oils to relieve heartburn, indigestion and upset stomach associated with excess stomach acid.

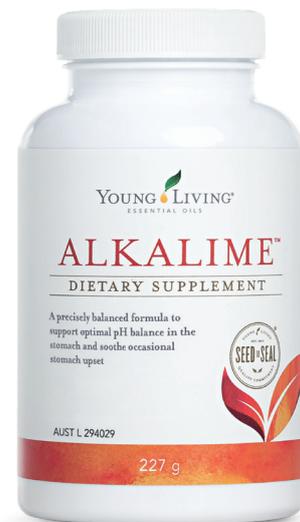

## BENEFITS & FEATURES

- Absorbed easily and quickly by the body.
- Soothes the occasional upset stomach.
- Relieves heartburn, indigestion and upset stomach associated with excess stomach acid.
- Supports optimal pH balance in the stomach.
- An antacid that is gentle on the stomach.
- Great source of antioxidants that fight and protect against cell damage caused by free radicals.
- Free of artificial colours, flavours or sweeteners, and formulated with nine biochemical mineral cell salts, the refreshing taste of Lemon and Lime essential oils, and organic lemon powder.

## DIRECTIONS

Stir 1 teaspoon of AlkaLime™ into 120 - 180 ml of distilled or purified water and let sit for 20 - 25 seconds. Gentle stir until mixed, then drink immediately. Take 1 - 3 times daily 1 hour before meals or bedtime.

If symptoms persist consult your healthcare practitioner. Refer to the product label.

## CAUTION

- Mix with water only.
- Keep out of reach of children.
- This product may have a laxative effect.
- Contains sodium chloride. Not recommended for sodium restricted diets.
- If you have kidney disease or are taking heart or blood pressure medicines, consult your doctor or pharmacist before use.
- If you are pregnant, nursing, taking medication or have a medical condition, consult a health professional prior to use.
- Store in a cool, dry place, away from excessive heat and direct sunlight.

## INGREDIENTS

†100% pure, therapeutic-grade essential oil

## FREQUENTLY ASKED QUESTIONS

**Q. What are biochemical mineral cell salts?**

A. Biochemical mineral cell salts are mineral salts that exist in human tissue cells and appear to play a critical role in cellular metabolism. They have been studied for their use to support cellular homeostasis.

**Q. How does AlkaLime™ work to balance the stomach's pH levels?**

A. Calcium, sodium, potassium and lemon powder mix with water to create effervescent bubbles that begin working immediately upon consumption to help balance and neutralise excess stomach acid.

**Q. Who should use AlkaLime™?**

A. AlkaLime™ is great for anyone wanting increased minerals in their diet or to achieve a more balanced pH level in the stomach.
