USB Orb™ Diffuser: Take your winter warrior essential oils with you no matter where you go with the portable Orb™ Diffuser! Specially designed to be spill-proof, this handy USB diffuser is ideal for the office, the car or at home and provides intermittent or continuous diffusion for up to 4.5 hours.

Ravintsara 5 ml: Ravintsara has a pleasant and clean scent, commonly used in meditation for calming and relaxing. Simply add a few drops to your diffuser or apply under your nose, on the neck or chest to awaken and invigorate your senses. You can also diffuse it throughout the night or add a few drops to your pillow to help encourage openness and a peaceful night's sleep.

Cardamom 5 ml: A close relative to Ginger, Cardamom's spicy, refreshing aroma can promote a sense of mental clarity when diffused. Native to Southern India, Cardamom can be added to teas, hot drinks, baked sweets and smoothies for a rich, minty aroma and flavour. **Make sure to use the toothpick method when applying to food and drinks.**

Thieves[®] Dentarome™ Ultra Toothpaste: Do you tend to eat a little more during the winter months? A winter diet and everyday wear can make our teeth look dull and discoloured. Combat the effects of normal staining with Thieves[®] Dentarome™ Ultra Toothpaste. It's minty formula will help you brush away daily buildup to reveal a sparkling, healthy-looking smile and fresh breath.

Thieves[®] Foaming Hand Soap: Washing your hands often is a must in the colder months. The citrus-spice aroma of Thieves[®] Foaming Hand Soap gently and effectively cleanse and refresh the hands, but will never over-dry! Simply lather hands with soap for at least 20 seconds before rinsing.

Essential Rewards Exclusive: Thieves[®] 5 ml: Arm yourself with the power of Thieves[®]! Diffuse this rich, spicy and powerful essential oil blend during the day or night to help neutralise strong odours and purify the air around you. Try adding 4 - 5 drops to your dishwasher or dishwasher to thoroughly clean dishes and eliminate stale smells.
