YOUNG LIVING®
ESSENTIAL OILS

Trees are losing their leaves, the weather is cooling in many areas, and people are spending more time indoors with their windows shut - all signs that autumn is upon us. This also means the official beginning of the stuffy indoor air season. Battle against musty air by diffusing your favourite essential oils! Diffusing is an excellent way to humidify dry air and brighten the atmosphere in a home or office.

Reach any of the following PV minimums with your March order and earn these great free products.

If you're a qualifying Essential Rewards Member, you'll also receive an exclusive bonus reward - a Bergamot 5 ml!

Eucalyptus Blue 5 ml: The leaves may be falling, but that doesn't mean you can't still enjoy the outdoors. Bring Earth's signature scents inside with Eucalyptus Blue! When diffused, this essential oil features the crisp, spicy aroma of the great outdoors, promoting a peaceful & balanced atmosphere.

Thieves® 15 ml: Nothing says autumn like the scent of Thieves®! Use a few drops to help purify and cleanse negative emotions. Combat unwanted odours by diffusing Thieves® for a warm, inviting fragrance or add a few drops to your dishwasher before running.

Longevity™ - 30 Softgels: Antioxidants play an important role in everyday life. Add these defenders to your diet by taking Longevity™ softgels. Taken daily, Longevity™ protects the body's cells from the damaging effects of free radicals and helps maintain healthy cell functions. ^

Palmarosa 15 ml: For a stimulating and soothing sanctuary, diffuse the fresh, floral aroma of Palmarosa or apply a few drops to your face to moisturise and boost the appearance of youthful looking skin. ^

ER Exclusive - Bergamot 5 ml: Enjoy the autumn atmosphere by diffusing the fresh and uplifting scent of Bergamot around your home. For a citrusy, sweet taste, add a touch of Bergamot to your sugarless baked goods, such as muffins, bread and pastries. Alternatively, add it to seafood recipes for a zesty addition.
