OILTHENTIC FLAVOURS

MARCH PV PROMOS!

Whip up mouth-watering dishes with drops of oil-infused goodness!

There's no better time to fill your hearts (and bellies) with delightful dishes made with clean & safe ingredients. Just a few drops of Oregano, Peppermint or Lemon essential oils can be great substitutes for herbs, citrus zest and spices. Add a world of flavour to your classic dishes and savour the delicious moments around the dinner table.

Reach any of the following PV minimums with your March Essential Rewards order and earn these great free products!

DiGize™ 15 ml: DiGize is the spicy blend of Tarragon, Ginger and Peppermint that you'll want to keep on-hand after a feast with the family. Mix a couple of drops with V-6™ Vegetable Oil Complex for a soothing abdominal massage. Or add an AromaGlide™ Roller Fitment for on-the-go application to your chest, wrists and abdomen after a hearty meal.

Peppermint 15 ml: Awaken your taste buds with the bright, cool flavour of Peppermint. For a delectable drink or dessert, add a drop of Peppermint to your hot chocolate, ice-cream, pre-workout drinks and teas or get creative in the kitchen with minty baked goods like cookies or frosting.

Lemon 15 ml: Make Lemon your new BFF— a little bit tart, a little bit sweet and a lot of citrusy goodness. Refresh old recipes by adding this versatile flavour to savoury foods like fish and chicken or sweet treats such as pastries and cakes. Whether you're sipping or sautéing, Lemon is the perfect kitchen cupboard sidekick!

Vegan Food Wraps 3 pk: Re-usable, re-washable, eco-friendly, and compostable. Vegan Food Wraps are an alternative to single-use plastic, zip-lock bags and cling wrap. Made with 100% natural ingredients these breathable wraps mimic the property of food skins and peels, keeping your food fresher and tastier for longer. Use to store cut fruit and veggies, to cover bowls and plates or fold into pouches to take sandwiches with you on-the-go.

Please note: Each pack contains a random and assorted mix of prints.

Thieves® Fruit & Veggie Soak 473 ml: Use Thieves Fruit & Veggie Soak to safely clean your fruits and veggies without leaving behind any residue or taste. Infused with Thieves, DiGize and Purification®, this unique formula helps remove waxes, harsh chemicals, impurities and surface pesticides from produce.

Oregano 5 ml: Impress family members and guests with your home cooking. Infuse a bottle of olive oil with 15 – 20 drops Oregano. Mix it with vinegar on a small plate and dip in crusty bread to make an easy appetizer. Add life to salad dressings and marinades by adding a drop or two of this herbaceous mint.
