

Spring into Clean

SEPTEMBER'S ER PV PROMO

Spring is a time for new beginnings, growth and deep cleaning. This month, give your home and food a fresh start with green-cleaning essentials. Get your home smelling amazing with our naturally- derived household cleaner and must-have essential oils like Thieves®, Kunzea and Lemon Myrtle. Plus enjoy fruit and veggies the way nature intended with Thieves Fruit & Veggie Soak!

Reach any of the following PV minimums with your September Essential Rewards order and earn these amazing free products!

Kunzea 5 ml: Send stale smells packing with the woody aroma of Kunzea! Add this spicy-clean oil to your diffuser to purify the air from unwanted odours and create an uplifting atmosphere. For a breath of fresh air try diluting and applying this oil to your chest or massaging into skin after a workout to soothe the body.

Thieves® Fruit & Veggie Soak 473 ml: After all that time hustling around the grocery store, the last thing you want to do is spend a long time cleaning your produce. Try our Thieves Fruit & Veggie Soak – it helps remove waxes, harsh chemicals, impurities and surface pesticides from produce in just 2 minutes without leaving behind any cleaner residue or taste!

Thieves® 15 ml: With a combination of Clove, Cinnamon Bark, Eucalyptus Radiata and Rosemary, this aromatic blend will fill any space with its warm, spicy aroma. Refresh musty carpets by adding 5 drops to a cup of baking soda. Combine and let sit overnight until the oil is absorbed. Sprinkle over carpets and vacuum thoroughly for a room you won't want to leave.

Thieves® Household Cleaner 426 ml: Does your cleaner leave a strong, chemical smell? Formulated with 100% plant and naturally derived ingredients, this concentrated formula delivers a crisp clean that shines with the added scent of Lemon for an even more revitalising aroma. Say goodbye to grime as you use this all-purpose cleaner on everything from door handles to floors.

Lemon Myrtle 5 ml: With its powerful, citrus aroma, Lemon Myrtle uplifts and clears the mind. Put a few drops into your Thieves® Laundry Soap or wool dryer balls to add a pleasant, citrusy aroma to clothing and linen. You can also try adding 3 drops of Lemon Myrtle to a cotton ball and clipping it onto your air conditioner vent to keep the room smelling fresh.

Thieves Waterless Hand Sanitizer 3 pk: Kick 99 percent of germs to the curb! Infused with soothing aloe and the cleansing properties of Thieves blend and Peppermint essential oil, the Thieves Waterless Hand Sanitizer eliminates common germs and bacteria. As a bonus, this lightweight formula leaves hands soft and smells divine.

Only the products listed are included in the PV promotion. All additional props and settings are for display purposes only. The statements above have not been evaluated by the Therapeutic Goods Administration. This product is not intended to diagnose, treat, cure or prevent any disease. Orders must be placed through our Essential Rewards (ER) member loyalty program and reach the highlighted PV levels to earn all the free products outlined above. Free products are subject to change without notice and may be substituted with an alternative product of equivalent or similar value. If any product runs out of stock - the product or a replacement product of similar value - will be programmed to be shipped with the member's next order after the replacement product is received in the warehouse. Affected members will be notified by a slip in their order to this effect. For full Terms & Conditions visit YoungLiving.com.au or YoungLiving.co.nz > Member Benefits > Promotions
