

Thieves[®] Hand-Sanitising Wipes

Say no to harsh chemicals and yes to plant-based, essential oil-infused Thieves Hand-Sanitising Wipes to kill 99.99 percent of germs on the go—no soap and water, no unpleasant alcohol smell, no dry skin!

Thieves Hand-Sanitising Wipes gently and effectively kill 99.99 percent of germs on big and little hands.

Thieves Hand-Sanitising Wipes are infused with Young Living's exclusive Thieves blend and Peppermint essential oil for a spicy-sweet aroma the whole family will love.

Wipes are infused with rich, moisturising ingredients such as green tea and ginkgo to prevent over-drying for softer hands.

Thieves Hand-Sanitising Wipes are plastic and chlorine free and made with 100 percent natural fibers from sustainably sourced wood.

Stopping the spread of germs is the first step in keeping you and your family happier and healthier. Convenient and resealable, Thieves Hand-Sanitising Wipes let your whole family kick germs to the curb with just a single wipe. Perfect for little and big hands, our plant-based formula is infused with our exclusive Young Living Thieves blend and pure Peppermint essential oil for a sweet-spicy aroma that everyone will love!
