

CONQUER EVERYDAY CLEANING WITH

THIEVES® HOUSEHOLD CLEANER

ALL PURPOSE CLEANER

- 1 cap Thieves® Household Cleaner
- 2 cups water
- Glass spray bottle

Combine, spray and wipe!

TOILET & BATH TUB CLEANER

- ½ cup baking soda
- 'All Purpose Cleaner' (see left recipe)

Sprinkle baking soda over the area. Spray using the All Purpose Cleaner and soak for 10 minutes. Scrub with a brush and rinse.

CLOTHES STAIN REMOVER

- 1-2 drops of Thieves® Household Cleaner

Blot undiluted, repeating as required. Soak for deeper stains. If you have white fabric, use Lemon essential oil instead.

STAINLESS STEEL CLEANER

- ½ cap Thieves® Household Cleaner
- 2 tbsps olive oil

Buff with a damp cloth and dry with a lint-free cloth.

GLASS & MIRROR CLEANER

- 1 cap Thieves® Household Cleaner
- 5 drops Citrus Fresh™ or Lemon essential oil
- 1 tsp white vinegar
- 3 cups water

Mix ingredients in a glass spray bottle. Use on mirrors and wipe clean with a lint-free cloth.

GROUT CLEANER

- ½ cup baking soda
- ½ cap Thieves® Household Cleaner
- 2 tbsps white vinegar
- 5 drops Tea Tree essential oil

Allow to fizz and set for 10 minutes. Apply mixture & scrub with a hard brush. Rinse with warm water.

FURNITURE FABRIC CLEANER

- 1 cap Thieves® Household Cleaner
- 1-2 cups baking soda

Stir and let mixture sit for 24 hours to combine. Sprinkle and let sit for an hour. Work the cleaner into carpets, rugs, couches or mattresses and vacuum excess.

OVEN CLEANER

- 1½ cup baking soda
- 1 cap Thieves® Household Cleaner
- ¼ cup white vinegar

Mix in a bowl, adding water until the mixture is a paste. Coat oven with the paste & soak overnight. Wipe with warm water and a sponge.

MAKEUP BRUSH CLEANER

- 1 cap Thieves® Household Cleaner
- 3 cups warm water
- 5 drops Lavender Essential Oil

Soak and gently clean brushes in circular motion. Rinse and dry brushes with bristles facing down.

JEWELLERY CLEANER

- ½ cap Thieves® Household Cleaner
- 1 tbsps baking soda
- 3 drops Lemon essential oil

Soak in a glass jar for 15 minutes. Softly brush & rinse under fresh water.

Note: Some stones require special care.
