BUTTER IT UP KIT

#23852 \$52.80 WHSL. \$69.50 RTL. 32.25 PV

Let your skin shine! Start by exfoliating the skin with the FREE Exfoliating Glove, leaving it rejuvenated and refreshed. Afterwards apply the NEW Coconut Lime Replenishing Body Butter! Our all-natural body butter nourishes and smooths skin with help from two fruit seed butters: mango & cupuacu butter.

The combination of these butters and other plant-based ingredients creates a non-greasy body butter that's perfect for areas that need moisturising, so you can step out feeling exotic, confident and buttered up!

The Butter It Up Kit includes 1 x Coconut-Lime Replenishing Body Butter, 1 x FREE Exfoliating Glove
