3 Why should I attend a 'Young Living Day' event?

Not only will you participate in a global event with other Young Living members and leaders, but you will also hear directly from members of the YL Corporate team about recent successes, exciting announcements and what we have in store in the next few months! You'll also be able to make new connections and friendships, strategise with your team and others, receive training and take the time to collaborate with your teams and other members.

4 When will I receive the YL Day PowerPoint presentation?

We aim to send out the YL Day PowerPoint one week before the event date.

5 How do I join the YL Day Facebook Page?

When you **register to be a host**, please search for the 'YL Day AU/NZ Hosts' group on Facebook. An administrator will approve your request to join.

6

Who can host a Young Living Day event?

All Young Living members are eligible and encouraged to host their own Young Living Day event! If you are new to Young Living or have never hosted an event before, we encourage you to work with an experienced member for your first time or find a mentor to help you launch your first meeting.

7

When should the meetings be held?

We request that the start time be no earlier than 11:00 AM AEST (12:00 PM AEDT) and 1:00 PM NZST (2:00 PM NZDT) time, but the end time is up to you, based on what works best for you and your team - though we recommend a minimum of two hours.

8

Should member hosts invite prospective members?

Definitely! While this meeting is intended for those already part of Young Living, there's plenty of great content for someone who is considering joining a team. This meeting is a great opportunity for people to learn about the Young Living culture, products and business opportunity.

9

How much will this meeting cost?

This meeting shouldn't cost members very much if they search for inexpensive meeting options. Host members should look for low-cost meeting areas or free spaces where they can hold their meeting. Locations that require only a small donation - such as school auditoriums, churches, or gymnasiums - are good options. If the group is small enough, hosting the event in a member's home or backyard is also a great option.

10

How much should host members charge their guests?

If there is a need to charge a fee for the meeting to offset venue costs, let Young Living know during registration. Members should select a fee amount that will help them pay for the costs to rent a meeting space. This is intended to offset costs and not intended for profit.

11

How many people should host members invite to their event?

Host members should start inviting people now and invite as many as they want. Hosts can determine the number of people to invite based on their vision for the event and the venue capacity. The group could be as small as 4-5 people or as large as 2,000!

Members should use Facebook, Twitter, or other social media sites to promote their event and track the number of registrants, using the hashtag as found on the YL Day webpage. Eventbrite is also great option. Young Living will promote the registered events that are open to members on the YL Day page on the official Young Living website.

12

What is the Hashtag?

The YL Day hashtag for Australia and New Zealand is **#YLDAYAUNZ**

13

Where can I access the Host Calls?

We will send out an email and upload the registration link to the YL Day Facebook page so you can register for the Host calls.

14

Who will you be calling during the Rally?

For YL Day events with 20+ attendees, the management team might call you (the host) directly during your event to hold a lucky draw for your attendees, for someone to win a wonderful prize!

Keep your mobile phone on you during your event just in case you get picked!
