

EVERYDAY OILS

YOUNG  LIVING
ESSENTIAL OILS

A woman with dark hair, wearing a pink shirt, is looking down at something in her hands. In the background, there is a painting of a landscape with trees and a field. The overall scene is softly lit and has a decorative, swirling pattern overlaid on it.

INTRODUCTION

Every day we inhale, touch, and taste harmful chemicals and toxins. Synthetic ingredients are in virtually every item in the home, from cleaning solutions and personal care products to food additives. That's why Young Living created the unique Everyday Oils collection. These nine powerful essential oils work as natural, chemical-free replacements for items you use every single day.

Essential oils are concentrated liquids extracted from aromatic plants. These natural oils protect plants from insects, environmental conditions, and disease. If you've ever squeezed a lemon or orange peel and seen the liquid that comes out – that's the essential oil. When grown, harvested, and distilled properly, essential oils can have a wide array of uses and tremendous health benefits.

You'll be amazed at the many uses you'll discover with each of these nine incredible essential oils. In fact, after discovering how simple it is to remove harmful chemicals in your home, you'll wonder how you ever lived without essential oils!

THE YOUNG LIVING DIFFERENCE

Unlike synthetic, perfume-grade oils that simply smell good, Young Living Therapeutic Grade™ (YLTG) essential oils are pure, natural, and unadulterated. YLTG means that every essential oil that Young Living distills or sources has the optimal naturally occurring blend of constituents to maximise the desired effect.

YLTG oils must meet specific criteria in four key areas: Plants, Preparation, Purity, and Potency.

PLANTS

Young Living has extensive experience selecting the correct species of plant for desired oil potency: planting under optimal conditions, using ideal soil and natural methods to encourage growth, and knowing the precise time to harvest each crop.

PREPARATION

To meet YLTG distillation standards, proper temperature must be maintained throughout the distillation process. Pressure, length of time, equipment, and batch size are strictly monitored.

PURITY

Every batch of essential oil bottled by Young Living is subjected to stringent laboratory testing to ensure the oils have the strongest possible YLTG properties.

POTENCY

Potency means that each oil has the optimum level of natural plant chemicals.

LAVENDER

Lavender is a versatile oil used to cleanse and soothe minor burns, cuts, and other skin irritations. Its refreshing, relaxing scent has balancing properties that calm the mind and body.

TOPICAL USE

Massage onto the bottoms of your feet or the back of your neck for calming.

Relieve dry, chapped, or irritated skin, or soothe minor cuts and burns by rubbing lavender on affected area.

Rub a drop on your palm and smooth over pillow, or diffuse to aid with sleep.

Diffuse to minimise seasonal reactions to pollen and dust mites.

PEPPERMINT

Peppermint essential oil has traditionally been used to promote healthy respiratory function and ease tension headaches. Its fresh, minty aroma combats mental and physical fatigue.

TOPICAL USE *(dilution may be required)*

Rub one drop on the temples, forehead, over the sinuses (avoid contact with eyes), and on the back of the neck to help soothe head pressure.

Apply to the back of the neck and shoulders repeatedly to keep energy levels up during the day.

INHALATION

Diffuse for energy and mental clarity.

Inhale before or during a workout to help boost your mood and reduce fatigue.

Add a drop to herbal tea to enhance flavour.

THIEVES®

Contains clove, cinnamon, rosemary, lemon, and Eucalyptus radiata

The Thieves blend is founded on the legend of a group of thieves in fourteenth century France who used clove, rosemary, and other aromatics in order to stay immune while robbing plague victims. Young Living's Thieves contains clove for its antimicrobial properties and cinnamon for its purifying properties.

INHALATION

Use in a Young Living diffuser to eliminate bacteria and odours in the air.

Put on a cotton ball and place in backpacks, cars, or anywhere the air may need cleaning.

CLEANING

Add four to five drops of oil to dishwater to thoroughly clean dishes and eliminate bacteria and odour.

FRANKINCENSE

Frankincense is used to support radiant skin. Its earthy, balsamic scent has calming properties that can increase spirituality and inner strength.

TOPICAL USE

Apply one to two drops to the face and neck daily to help renew healthy looking skin and to minimise oil production and breakouts.

Drop onto minor cuts, scrapes, and bruises to reduce redness and discomfort.

Massage several drops on the temples or back of the neck for stress relief.

INHALATION

Diffuse to enrich prayer and meditation.

Inhale or diffuse to deepen breathing and induce calmness.

LEMON

Lemon is a good source of d-limonene – a powerful antioxidant – and is believed to boost the body's natural defenses. Lemon oil's fresh, zesty scent is uplifting to the body and mind.

TOPICAL USE

Place a drop on oily skin or blemishes to help balance oil glands and minimise oil production.

Massage lemon into cellulite to help improve circulation and eliminate waste from cells.

Soothe or prevent corns, callouses, or bunions by rubbing daily on affected area.

Add a few drops to water for a great antioxidant boost.

Substitute lemon oil for lemon juice or lemon seasonings to flavour seafood, vegetables, beverages, and desserts.

CLEANING

Use one to two drops to remove gum, oil, grease spots, glue or adhesive, or crayon from most surfaces.

CAUTION: LEMON OIL SHOULD NOT BE APPLIED TO SKIN THAT WILL BE EXPOSED TO DIRECT SUNLIGHT OR ULTRAVIOLET LIGHT WITHIN TWELVE HOURS.

PURIFICATION®

Contains citronella, rosemary, lemongrass, lavender, Melaleuca alternifolia, and myrtle

The sweet, refreshing scent of Purification deodorises and purifies the air. This blend also contains citronella to deter insects and soothe bites.

TOPICAL USE

Place a drop on insect bites to cleanse and soothe itching.

Apply a drop on blemishes to help clear skin.

Combine several drops with water in a spray bottle to repel insects and deter bugs from linens.

INHALATION

Apply several drops on a cotton ball and place in air vents at home, in the office, in a hotel room, or in other enclosed areas to control odours and pollution.

Diffuse to clean the air and neutralise foul or stale odours.

PEACE & CALMING®

*Contains tangerine, ylang ylang, blue tansy, orange,
and patchouli*

The gentle scent of Peace & Calming encourages calmness and deep relaxation, and can assist with meditation. Containing ylang ylang and mandarin, which are known for their sedative properties, Peace & Calming may promote a peaceful night sleep.

TOPICAL USE

Rub one to two drops on the bottom of feet and on the shoulders before bedtime to help get a good night sleep.

Mix with Young Living's V-6™ massage oil for a soothing, relaxing massage.

Use one to two drops on the bottoms of feet or in a warm bath to help soothe fussy babies.

INHALATION

Add several drops to a spray bottle and lightly mist linens and bed pillows to aid in a peaceful sleep.

Add several drops to a warm bath to relax the body and mind.

PANAWAY®

Contains wintergreen, clove, peppermint, and helichrysum

PanAway is a soothing essential oil blend containing clove, used historically to numb gums. Also containing wintergreen which has been traditionally used for pain relief – PanAway aids the body's natural response to irritation and injury.

TOPICAL USE

Apply to affected area to help assist in muscle relaxation.

Mix with Young Living's V-6™ massage oil and use topically to ease growing discomfort in children and young adults.

Apply several drops onto the bottoms of feet for a soothing, relaxing foot massage.

VALOR®

Contains spruce, blue tansy, rosewood, and frankincense

Valor is an empowering blend that promotes feelings of strength, courage, and protection. Containing frankincense and spruce, which were traditionally used for their healing and spiritual properties, Valor has also been found to support energy alignment in the body.

TOPICAL USE

Rub on the bottom of the feet to help align and balance the body systems.

Drop onto the wrists to ease anxiety and yield confidence and courage.

Massage onto neck, chest, and shoulders to release tension.

Ensure you'll always have the natural, chemical-free benefits of Young Living's therapeutic-grade essential oils in your home with the Everyday Oils collection. Complete with nine of our most versatile oils, the Everyday Oils collection is ideal for adding essential oils to your day, every day.
