Our Thieves line offers the versatile products you need to clean your home effectively and to support your family's wellness.

HISTORY OF THIEVES

Thieves essential oil blend was inspired by the legend of four 15th-century French thieves who formulated a special aromatic combination composed of clove, rosemary, and other botanicals they used while robbing the dead and dying.

Young Living's one-of-a-kind Thieves blend, crafted in the spirit of that legendary combination, can be found in all of our Thieves products.

"After using most of the bar, I save a small piece of Thieves Cleansing Soap to scrub stains on laundry before washing. It works so well! I have removed lipstick, grease that was already washed and dried once, and even a raspberry stain. All the stains came right out!"

LAUNDRY ROOM

- For an alternative laundry detergent, grate Thieves Cleansing Soap into flakes. Add ¼ cup to warm water and dissolve before adding laundry.

BEDROOMS AND LIVING AREAS

- To freshen carpet, mix 1 capful Thieves Household Cleaner with 1 cup baking soda. Let mixture sit overnight, until the liquid is absorbed. Sprinkle over carpet and vacuum thoroughly.
- To clean wood floors, mix 1 capful Thieves Household Cleaner with 1 cup olive oil. To enhance aroma and cut grease, you can also add 10 drops Pine essential oil.
- Use Thieves Wipes to regularly clean piano keys, drawer knobs, faucet handles, and other frequently touched surfaces.

"We used Thieves to wash all the wood trim on the outside of our home. We put water in a large sprayer bottle with 4–5 capfuls of Thieves Household Cleaner. It cleaned up beautifully and looked like we had repainted all the trim! The best part: there were no dangerous fumes, the rags were clean and fragrant, and we tossed out the water knowing it would not harm the grass."
